UP International Trade Show

AN INTRODUCTION

Uttar Pradesh is the new growth engine of India and the country's third largest economy growing at a fast pace. The state contributes more than 8% to country's GDP and ranks 2nd in the ease of doing business. With policies fostering goal of inclusive sustainable and balanced development the state is aiming to achieve 1 trillion economies by 2027.

The investor – friendly policies and the good governance initiatives create a holistic ecosystem for industrial development. The recent UP Global Investors Summit which has attracted proposals of investment to the tune of over 35 lakh crores, substantiates this fact and takes the state on the path to achieve its goal of a trillion-dollar economy.

To take forward this legacy, Government of Uttar Pradesh is jointly organizing with India Expo Centre & Mart Ltd the First Edition of the "**UP INTERNATIONAL TRADE SHOW (UPITS)** from **21st - 25th September 2023 at India Exposition Mart Limited, Greater Noida**". The Show has been conceptualized as a regular fair to promote the small, medium & large enterprises of Uttar Pradesh with a distinct identity.

The Show will provide an opportunity to bring entire UP under one roof for the visitors and to place Uttar Pradesh on top of the world map.

INDIA EXPO CENTRE & MART

SHOW VENUE

India Expo Centre & Mart, one of India's largest integrated exhibition and convention venues, offers state-of-the-art facilities and unmatched safety standards for international B2B events. The venue, sprawled over 58 acres in the MICE hub of Greater Noida, houses an expansive complex of over 2,34,453.29 square meters, combining a trade mart with exhibition and convention facilities.

India Expo Centre & Mart is a comprehensive world-class venue that includes over 800 permanent showrooms, 14 multi-purpose halls, 29 meeting rooms, 4 open areas, 4 specialty restaurants, and a guest house. The complex operates with a Solar system and HVAC for effective energy saving and environmental safety.

The Expo Centre & Mart is a multi-functional venue, equipped to host a range of events from international exhibitions to product launches while acting as a centralized contact point for overseas buyers and local manufacturers. The Expo Centre's infrastructure spans across 58 acres of land, housing a complex of over 230,000 square meters, providing a one-stop service destination for event organizers.

Expo Centre & Mart success lies in their understanding of market trends and customer preferences. IEML strategically diversified its event portfolio, hosting exhibitions spanning various sectors, including automobiles, food, jewelry, wellness, hospitality, and green technologies. With over 15 years of industry experience, we are well-positioned to anticipate industry trends, adapt to sectoral needs, and constantly update our portfolio of exhibitions, ensuring our sustained relevance and success in the industry.

The venue has hosted events for several government ministries, global agencies, and renowned corporations, securing considerable revenues in recent fiscal years. Expo Centre & Mart offers end-to-end event organization, including setting up food & beverage services, providing high-tech IT services, and meeting specific manpower requirements.

INDIA EXPOSITION MART LIMITED

SHOW ORGANISER

The India Exposition Marts Limited is one of the leading venue planners and providers in India, that offers technology driven, world-class facilities and safety standards suitable for hosting international business-to-business exhibitions, conferences, congresses, product launches, and promotional events, amongst others.

The venue is located in Greater Noida, is a prominent MICE destination in India and exhibition centres and mart are spread across 58 acres of land, with a build-up complex of 2,34,453.29 square meters area, offering a combination of trade mart with exhibition and convention facilities.

The IEML have approximately 15 years of operating experience in the management and organization of exhibitions and trade fairs. The Centre have also managed and organized various exhibitions and conventions including Indian Handicrafts and Gifts Fair, Elecrama, Auto Expo – The Motor Show, CPHI&P-MEC and Print Pack, which are some of the most prominent events in India.

We also organise exhibitions such as 'India International Hospitality Expo' and 'Ayuryog Expo' which have been developed by us. 'India International Hospitality Expo' was launched in August 2018 with the intention of being a prominent hospitality sector show in India. Ayuryog Expo was a platform created for sharing experience and knowledge on ayurveda, yoga and naturopathy.

By virtue of having more than 15 years of experience in the Indian exhibition markets, IEML believes that they are well positioned to be able to identify and respond to the needs of participants in different markets/sectors by offering advanced and up to date solutions for the majority of the events in the organized events business line. Furthermore, IEML believe that the know-how developed over the years by our management team allows us to anticipate industry trends, constantly adapt to various sectoral needs and update our portfolio of exhibitions, making exhibitions within the organized events business line highly relevant operators in the industry, in terms of services provided, the quality of the content offered and the presence of opportunities for professional networking and development, which allow participants to acquire advance knowledge of potential trends in their sector of business operations.
